Job Summary

Compton Fundraising is looking for an Intern to join our Community and Events fundraising team at North London Hospice.

North London Hospice is located at Woodside Avenue, North Finchley and provides end of life palliative care across the boroughs of Barnet, Enfield and Haringey. It costs £10m a year to run all of our services and the fundraising department is responsible for generating £3.3m a year through voluntary donations and legacy gifts.

This is an exciting role that will enable the post holder to have the opportunity to work across a diverse portfolio of fundraising and supporter events. Working within small events teams, you will provide support across our event and community fundraising programmes including Big Fun Walk, Tribute Tree events and legacy fundraising.

With such a varied role, you will have to be highly organised and able to cope with competing priorities and be ready to turn your hand to all aspects and duties of fundraising events.

You may be required to work flexible hours, including evenings and weekends when required.

The Intern will be trained and supervised on a daily basis by experienced Compton consultants.
